

FRIDAY 25TH MARCH

Good afternoon everyone,

What lovely weather we are experiencing this week at the start of spring - long may it continue! Covid case numbers are rising rapidly in the community and in school and we know many local schools have had to close this week. Unfortunately I have tested positive again this week but thankfully I only have a cold this time and hope to be back at school on Tuesday. Mrs Taylor is doing a great job in my absence so please contact the school office with any urgent issues. Please look out for any signs of Covid and test to ensure we can all enjoy Easter!

Take care,
Mrs. Peers

PARENTS EVENING

We have parents evening next week for Y1-6. If you have opted for a face to face appointment on Wednesday 30th March we are requesting that you help us to reduce the risk of spreading Covid to other parents and staff. We have a risk assessment in place and we are asking that all parents / carers that are coming into school do an LFT before they come in. Staff will also do an LFT on the morning to ensure we are keeping you safe.

Parents evening will take place in the school hall - please enter by the Hall door and keep promptly to your appointment time to avoid unnecessary crowding. Teachers will also need to keep strictly to the 10 minute appointment time for this reason. We will spread chairs out if you are waiting to be seen. If the weather is nice we may also have chairs outside for you to wait!

Thank you for your help and support on this matter and we look forward to seeing some of you next week!

* Please be aware we may need to change this to virtual at short notice but we will let you know next week.

MENTAL HEALTH

Following on from last week and launching our Mental Health Champions, I thought I would share with you some information about mental health. You may have seen this booklet as they were sent to every household in the county.

RED NOSE DAY

Once again thank you for your kind donations. Altogether we raised £100.53

WORKINGTON REDS

All our Y5&6 children have been issued with free season tickets to watch Workington Reds football team. This was a great idea and a way we can all support local. Hopefully some of you will get to go to some matches that are left this season.
