

FRIDAY 24TH JUNE

Yet again we have had a very busy week with our Y5&6 residential to Whithaugh Park, Y4 children on their rivers trip and a visit from Stuart Hall from the Foodbank to deliver an assembly. There will be further updates and photographs from these trips next week.

Hope you all have a lovely weekend (and the sunshine comes back!)

Mrs. Peers

MENTAL HEALTH

On Tuesday 28th June, all children can come to school wearing something yellow. This is because yellow is the colour used to support and promote mental health. Our year 5 and 6 Mental Health Champions will speak in assembly to share their ideas for developing good mental health in our school.

GREEN DAY

Thank you to everyone for your kind donations today for the foodbank.

Here are some of the donations (we have had many more!)

SUNCREAM

Summer seems to have arrived (let's hope it stays!)

Just to remind everyone of our Health and Safety policy with regards to suncream to keep the children safe.

We are asking that children come to school in the morning with suncream (SPF30 + is recommended) applied at home and that lasts all day. If your child needs to bring some into school they will need it to be clearly labelled as we cannot allow children to share suncream due to allergies. Children will need to be able to reapply the suncream under the direction of an adult (this is where an all day one is best!) We will support the younger children and help them to apply it but please think about how long it takes at home and multiply that by a class full of children - we don't want it take up all our teaching and learning time!

If your child does not have any suncream on and it is a hot day we will ring you and ask you to come and apply suncream (we will have an emergency stock in school you can use)

Please remember children's skin is much more sensitive than adults We want to ensure your child is safe and happy in the sun!

Thank you for your support with this matter
