

FRIDAY 15TH JULY

Yet another busy week!

Our Y6 leavers assembly is on Wednesday 20th July at 2pm. This will be limited to two people per child due to space in the Hall. Please come in by the hall door. It has all been top secret - we can't wait to see it!

We will finish for the summer at 1:15pm next Thursday.

CUMBRIA HOLIDAY AND ACTIVITY PROGRAMME

Please see the attached information that is being sent with the newsletter this week with regards to local activities taking place for children over the summer.

SUN SAFETY

It looks like the heatwave is going to continue into next week... please remember to put sunscreen on your child, send them with water and ensure that they wear a hat!

LUNCH MONIES

All lunch money owing needs to be paid by next Thursday. This is particularly important for our children leaving us in Y6.

Miss Grima is off on her secondment to Dearham and we wish her luck with this venture. It is also with a heavy heart that Mrs Langley, Mrs Bates and Mrs Williams are leaving us at the end of this term for pastures new.

Mrs Langley has worked at Flimby since 2004. During her time here at Flimby Mrs Langley has been a HLTA and has led the school with such passion in all our shows and the carnivals.

Mrs Bates has worked at Flimby since 2014 and Mrs Williams from 2016. They have both worked throughout the school but predominantly in Foundation Stage.

They will have all worked with many of your children who have now moved on in their education and even gone on to work and I know you will have fond memories of them all. I am sure you will want to pass on your good wishes to them all as they set themselves a new challenge, but I'm sure you will all still see them in the village.

For the staff and the children we are losing valued members of the team and friends as well as colleagues.

I know you will join the whole of the staff here at Flimby in wishing Miss Grima, Mrs Langley, Mrs Bates and Mrs Williams all the best in their new roles and a future full of happiness.

you
