

FRIDAY 21ST JULY

What a busy last week - I can't believe this is my last newsletter of the year!

I would like to thank you all for your support over the past year. All the children are super stars and we love working with them. I'd also like to take this opportunity to thank all the staff for their hard work and dedication to Flimby Primary School.

I hope you all have a lovely summer.

AWARDS

We had a visit from the ice cream van for the children who had the most dojos or had been awarded for reading at home (infants) or Accelerated Reader scores (juniors)

CLASSROOMS

The children had their class swap at the start of July so know which classrooms they will be in. Just to confirm:

EYFS - the big foundation door that they currently come in

Y1&2 - the door by the gate onto the lonning (up the little ramp) as you come onto the junior yard.

Y3 & 4 - top door on the infant yard near the bus stop

Y5 - junior door on the junior yard

Y6 - top door on the infant yard near the bus stop

HELP FOR HOUSEHOLDS

Countries around the world are facing rising goods and energy prices, inflation and cost of living pressures after the pandemic and Putin's invasion of Ukraine.

We know people are worried so the government is offering help for households. See what cost of living support you could be eligible for.

WILD FIRES

Warmer weather and the increased numbers of people visiting the countryside creates a greater risk of fire. Follow these simple tips and help avoid the risk of fire in the countryside:

- When camping, use torches instead of candles and place your cooking area well away from the tent
 - Avoid using open fires in the countryside
 - Only use barbecues in a suitable and safe area and never leave them unattended
 - Don't leave bottles or glass in woodland
 - Extinguish cigarettes properly and don't throw cigarette ends on the ground - take your litter home
- If you see a fire, report it to the fire and rescue service immediately. Don't attempt to tackle fires that can't be put out with a bucket of water - leave the area as quickly as possible
