### Awesome me (age 3+)

Use collage techniques to design and make a crafty canvas all about your child and take home a resource to celebrate their uniqueness.

This is a fun way to help boost your child’s confidence.

### Sing-Along and play (age 0-3)

This is a chance to meet up with other families and enjoy sharing action songs with your child whilst learning about how this links to early language development.

### Story sacks (age 0-5)

Story sacks encourage language development and a love of books in a creative, exciting and interactive way.
