Dear [REDACTED]

Re: Workington Constituency 2022 Primary School Christmas Card Competition

I am writing to you to invite Flimby Primary School to take part in my inaugural Christmas Card Competition for 2022.

As Christmas approaches, this competition is open to all pupils aged 3 – 11 in the Workington Constituency, and I encourage all to get involved. It will be a great opportunity to showcase the artistic talent and festive spirit of the children in the the area!

Any Christmas design is welcome, however it would be great to see some local landmarks, people or organisations to be featured.

All designs should be hand drawn on A4 paper. I am happy to personally collect submissions from schools, however they can also be returned to:

Office of Mark Jenkinson MP
104 Senhouse Street
Maryport
CA15 6BS

All designs will be judged by a panel including myself, with the winning design being featured on the front of my annual Christmas card which will be sent out this Christmas. Two runner up designs will be featured inside the card.

Please could the name of the pupil, year group and school be included on the back of each design.

The deadline for submitting entries is Monday 31st October.

I really hope that this is something your school will get involved with, and I am really excited to see your amazing submissions!

Yours sincerely

Mark Jenkinson MP
