October 2022

HOME READING – Key Stage 2

In your child's reading wallet they will bring home:

Accelerated Reader

- Reading Record
- Core reading book matched to their ZPD (Zone of Proximal Development)

Read Write Inc.

- the Core reading book they have already read in class as part of their Read, Write, Inc. session, to practise reading **to you** what they can already read
- a Book Bag book. These have guidance inside just for you as parents. They are matched to the books children read in school so provide practise of the same sounds and extra reading practise at the right level for your child. They include many of the same reading activities that we use in class
- An additional Non – Fiction book *when your child moves on to Yellow, Blue or Grey level*

All children

- Library book – Each week your child will have the chance to visit our school library and choose a book to borrow. This book is one for **you to read** and enjoy with your child. It can be their bedtime story or a book to cuddle up on the sofa with.

We would like your child to read their school reading book to you, at least **5 times per week at home**. The recommended amount of time for a Key Stage 2 child is a minimum of 20 minutes per day.

Each time your child reads at home and you record this in their Reading Record, they will receive a dojo. If they read 5 times in the week their name will go in our class jar. Each half term, Mrs Peers will select a name at random and the winner will receive a prize.

Please continue to support your child with their reading at home as it makes so much difference to their educational progress.

We are looking forward to seeing who our “Reading at Home” awards go to this year!

Thank you,

Key Stage 2 Team
