KidSafe UK: Session 5 of 5

Dear Parents/Carers,

During today's session KS had yukky feelings due to his parents/carers arguing. KS had overheard the arguing many times and has become increasingly upset and he even thought it was his fault.

Children gave KS strategies to help him get rid of his yukky feelings i.e. talking to *another* trusted adult about the yukky feelings he was experiencing.

Today was the last KidSafe session for the time being. We re-capped the previous four sessions with the children and they evaluated what they had learnt and what they had enjoyed about the KidSafe programme. All the children received a certificate of participation.

Please take this opportunity to talk with your child about the Kidsafe course and what your child has learnt and enjoyed. We are including a parent/carer evaluation for you to complete and return to school. It is important that we get your feedback about the programme and your child's enjoyment of it. We would very much appreciate it if you could do this to help us improve our safeguarding provision.

Yours sincerely

Mrs Gorley & Miss M Little
